

tashahhud in the second rakaat), or in the second qa'dah (with the tashahhud in the last rakaat, at the end of the salaah).

Summary

Before Surah Faatihah 15 times

After Surah Faatihah 10 times

Rukoo' 10 times

Qaumah 10 times

First sajdah 10 times

Jalsah 10 times

Second sajdah 10 times

Second Method:

The second method is similar to the first method. However, the difference between the two methods is that in the second method, one will NOT recite the tasbeeh fifteen times before Surah Faatihah, and then ten times before the rukoo'. Rather, in the qiyaam (standing posture), one will only recite the tasbeeh fifteen times after the qiraat, before going into rukoo'.

The remaining ten tasbeeh (to complete seventy-five), that is also recited in the qiyaam posture in the first method, will be recited after the second sajdah of every rakaat.

In the case of the first and third rakaats, then after completing the second sajdah, one will sit and recite the tasbeeh ten times before standing for the next rakaat.

In the case of the second and fourth rakaats, then since one will be sitting in qa'dah after the second sajdah to recite the tashahhud, one will recite the tasbeeh in this qa'dah. In this situation, the tasbeeh will be recited first, before reciting the tashahhud, durood, etc.

General Masaa-il (Rules):

1. Sajdah Sahw does NOT become necessary for forgetting to recite the tasbeeh in any posture.

2. If one forgets to recite the tasbeeh in any posture, or recites less than the prescribed amount, then one should cover up the missed tasbeeh in the next posture. For example, if one forgot to recite the tasbeeh in rukoo', then one should recite the tasbeeh twenty times in qaumah. Insha-Allah, if one recites the tasbeeh three hundred times over the four rakaats, he will receive the virtue of performing Salaatut Tasbeeh.
